- **Prohibition of Tobacco products and ban of Gutkha/Pan Masala**

1. Gutkha and Cigarette are social menace. It is hazardous to chew Gutkha or puff the Cigarette, endangering life with cancer TB etc. While school childrens and youth are habbitating to this ill effects, I have my own reservations and I contributed with following itiniatives.

2. Massive drives have been taken for strict enforcement of sec.4 and 6 of COTPA. 14TH Nov.2010 to 25th Jan,2011 - Tobacco free educational institutes campaign was organized in order to stop sale of Tobacco products in the radius of 100 yards around educational institutes.

3. Strong initiative to ban Gutkha / Pan masala in the state under section 30(2)(a) of Food Safety Act, along with regulation 2.3.4 of Food Safety and Standards (prohibition and restriction on food) regulation 2011 and regulation 3.1.7 of Food Safety and Standards (food standars and food additives) regulation 2011.

Vision: Evolution of community by keeping harmony with the nature
